

AEDs

Certified Safety Resources is proud to represent the foremost manufacturers of automated external defibrillators (AEDs), in the industry.

Please contact us to discuss the benefits of purchasing an AED for your business. With a large assortment of makes and models from Philips, Cardiac Science, Heartsine and many more, we can help identify an AED that's right for your environment and your budget.

Supplies

We have the latest supplies to meet your emergency response needs.

Please contact us to learn more about the products we offer and how we can help you meet your supply needs.

Equipment and Supplies

We are an authorized representative of the major national manufacturers of AEDs and other emergency response equipment and supplies. We carry all major brands and will work with you to find an AED that is affordable and appropriate for your needs and facility.
